Fort Monmouth Restoration Advisory Board meeting scheduled Oct. 7

FORT MONMOUTH, N.J. -- The next Fort Monmouth Restoration Advisory Board meeting is scheduled here at Gibbs Hall, 2000 Tinton Avenue, at 7 p.m., Wednesday, Oct. 7.

The public RAB meetings are intended to bring together community members who reflect diverse interests, to enable the early and continued two-way flow of information, concerns, values, and needs between the affected community and the installation regarding the fort's environmental restoration efforts.

A presentation on the status of the Fort Monmouth Stream Bank Stabilization Project will be given by Princeton Hydro, Inc.

A presentation will be given by Shaw Environmental regarding the status of the Baseline Ecological Evaluation.

RAB members will discuss the removal status of the unregulated heating oil tanks, identified in the Environmental Condition of Property Phase II Site Investigation Report.

The ECP Phase II report and more information on the RAB and the Army's environmental program at Fort Monmouth can be found at:
